REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents  
Office of Patent Publication  
ATTN: Certificate of Correction Branch  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicant requests a certificate of correction of applicant's mistake under 37 CFR 1.324. The applicant requests that on page 1 of the above-identified patent the inventor's name 'Gérard Pucheu-Marque' be changed to --Gérard Marque-Pucheu--. The mistake, of inverting the inventor's surnames, occurred in good faith and is a minor typographical mistake. As shown in the specification for the Application for United States Letters Patent (Exhibit 1), enclosed herein, the inventor's surnames were written as "Marque-Pucheu." On the Declaration for Patent Application and Power of Attorney signature page (Exhibit 2), enclosed herein, the inventor's surnames were inverted to "Pucheu-Marque". On the same document the inventor signed his name Gerard Marque-Pucheu, which indicates that the inversion was merely a typographical mistake and was not intended to deceive the Patent and Trademark Office. Correcting the typographical mistake of inverting the inventor's surnames is minor in nature and does not involve a change which constitutes new matter that would require reexamination of the patent.

Additionally, applicant requests correction of Assignee's Name under 37 CFR 3.81(b). The applicant requests that on page 1 of the above-identified patent the Assignee's Name 'Eads Defence and Security Networks' be changed to --EADS Secure Networks--. The assignment was submitted for recordation on March 11, 2002, before the issuance of the patent. The Reel and Frame number of the assignment is 012703/0196.

Enclosed is the Certificate of Correction form PTO/SB/44 and PTO form 2038 providing authorization to charge the firm's credit card in the amount of \$230, which includes the certificate of correction fee set forth in §1.20(a) and the processing fee set forth in §1.17(i).

Respectfully submitted,
